

INTENT TO MINE

Pendergrass Mine, LLC has applied to the S.C. Department of Health and Environmental Control (SCDHEC) for a permit to mine sand/clay in South Carolina. A proposed reclamation plan has been submitted indicating the site will be restored to a pond after mining. The proposed mine is located in Colleton County approximately 2.0 miles northwest of Jacksonboro, South Carolina. Specifically the site is located 0.5 mile southwest of the junction of SC Secondary Road S-15-40 (Jacksonboro Road) with Primary Highway 64 (Charleston Highway). Comments or inquiries concerning this application should be sent to the attention of Marianne DePratter, SCDHEC, Division of Mining and Solid Waste Management, Bureau of Land and Waste Management, 2600 Bull Street, Columbia, South Carolina, 29201, phone (803) 896-4263. Comments must be received by the SCDHEC before 5:00 p.m. on October 15, 2008. The proposed mining project is located within the S.C. Coastal Zone and this advertisement serves as notification to the public of the commencement of the S.C. Coastal Zone Consistency review. Any individuals with disabilities or special needs who want to review the file should contact the Department at least one week prior to the end of the comment period to discuss any special services required.
